About the Australian Smart Cards Summit 2006

Association and Communications Events is proud, once again, to be organising the Australian Smart Cards Summit on behalf of the **Asia Pacific Smart Card Forum**. Last year we developed a highly successful, new look, upgraded, smart cards event developed for the industry, by the industry. This year the Summit has grown - and we're inviting you to join us!

The Summit brings together users and suppliers of smart card technology to discuss critical industry trends, partnerships & alliances, developing standards, new applications, new business opportunities and future direction.

Whether you are an APSCF member or non-member – **all are welcome**. This is a once a year opportunity to meet the entire industry, all together under one roof.

The 2006 summit examines smart cards in **government, banking, transport, retail, telecommunications** and **health** with a special focus on **National ID cards, contactless cards, secure payments, fraud prevention**, and models for **convergence of banking, transit & retail**.

Local and international speakers will share useful, up-to-date and practical information with the audience who will be encouraged to ask questions and join in on the panel session debates. The Summit will also feature a **technology showcase/exhibition area**, where delegates will get the opportunity to **examine new products and meet suppliers face-to-face**.

Discussion topics include:

- ✓ National ID cards, drivers licenses
- ✓ Convergence of transit, retail and banking
- ✓ Standards and interoperability
- ✓ EMV vs PayPass
- ✓ Secure payment systems
- ✓ Business case for NFC
- ✓ Contactless cards
- ✓ Lessons learnt from large scale deployment of common access cards
- ✓ Policy models
- ✓ Legal environment
- ✓ eAuthentication and ID credentials

Why choose THIS Smart Cards conference over others?

- ✓ Australia's **biggest** cards event – **endorsed** by the leading industry association (APSCF) and designed for the industry, by the industry!
- ✓ Focused on **chip cards**
- ✓ **Value for money** - Standard Registration fee just \$1,295 +GST; Discount fees for APSCF members; Group discount rates - book 3 delegates and send a 4th delegate for FREE
- ✓ **No need to travel overseas** – we've brought the **international guest speakers** to you to ensure you keep up-to-date with international trends and developments
- ✓ **Whole industry together under one roof** – your best chance to meet, learn and do business
- ✓ **Attend just one event** – everything you need to know in one event
- ✓ **Speakers are genuine decision-makers, experts and industry leaders**
- ✓ Sponsorship and exhibition booths available at **reasonable prices**
- ✓ **Discussion topics identified and requested by attendees** - including Convergent Business Models, EMV, PayPass, National ID Cards, Transit, NFC, Secure eCommerce, Standards and Interoperability

Don't miss this *international conference* ... held right here in Sydney
